(Additional repertoire & full programs available upon request.)

Short Profile

International award-winning Italian guitar duo (founded 2025). Aeon Guitar Duo develops a phenomenological approach to performance—sound as an event shaped in time, resonance, and silence—translated into chamber-music precision, clarity of texture, and a shared musical breath. Repertoire focus: Castelnuovo-Tedesco in dialogue with Bach, Scarlatti, and selected 20th-century works.
